Welcome to *Ready, Set, Worship!* - an engaging, kid-centered worship service for God's children of all ages!

Every second Sunday of the Month, our regular worship service will be replaced by *Ready, Set, Worship!*

Upcoming dates for *Ready, Set, Worship!*
October 12th - November 9th - December 14th

Why are we doing *Ready, Set, Worship!*?

If the children are our future, then the children need to be a part of our present. Worship that centers children in engaging participation and active leadership will let them know that they are an important and necessary part of God's Church and the work that we have been given through Jesus Christ and the Holy Spirit.

What if I'm not a kid?

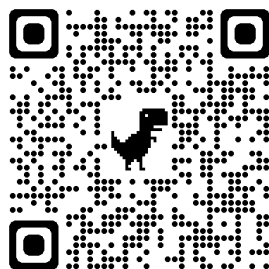

Ready, Set, Worship! is for everyone, young and old. It's not children's church - it's just church, and everyone is always welcome at our church.

Ready, Set, Worship! is not a children's play or program for the adults to watch, either. We are all here to worship, learn, and grow in faith.

Do you know a child or youth who might want to be a part of *Ready, Set, Worship!*? Talk to Pastor Andy or Kelly for more information.

To give electronically, please scan the QR code or visit our website - www.byronmn.umcchurches.org - and navigate to our Giving page. Thank you!
